

How Regional Partners will Engage Local Governments: **Mobility Hub Implementation**

1. MARC, KCATA, and other regional partners will reach out to local governments.
2. Regional partners and local staff will meet and discuss:
 - a. Smart Move's mobility hub concept
 - b. Relevant local and regional planning studies
 - c. Available land for hub
3. Regional partners will present hub profiles and discuss the data with local staff.
 - a. This data is meant to support the case for hub implementation.
 - b. This is an opportunity to discuss if other data would be useful to "sell" hub concept.
4. Determine next steps/set up additional meetings.
