

You're Invited!

Open House

U.S. **71**
Transit Study

JACKSON COUNTY
COMMUTER CORRIDORS
ALTERNATIVES ANALYSIS

What transit options are being planned for I-70 and the Rock Island Corridor? What's next for transit along the U.S. 71 corridor?

Come find out and tell us what you think! Join hosts Jackson County, Mo., Mid-America Regional Council, Kansas City Area Transportation Authority, and the City of Kansas City, Mo., for a fun and interactive open house to provide input into the latest transit recommendations for the region.

We hope participants can "imagine" a region-wide transit system by viewing information about the recommendations and learn about various other initiatives including the downtown streetcar project and bicycle and pedestrian activities. Prizes and giveaways are provided by generous area River Market businesses!

Tuesday, November 27
4:00-6:00 p.m. (anytime!)
The River Market Event Place
140 Walnut St.
Kansas City, Missouri 64106
